03 EDUCATION

Sep 2022 — Jun 2025

Nyabihu ,Rwanda

Rwanda Coding Academy

High School

At Rwanda Coding Academy, I am currently studying software engineering and embedded systems. The academy provides a comprehensive curriculum and hands-on training to develop my skills in coding and programming. I am learning various programming languages, software development methodologies, and techniques to build robust and efficient software solutions.

Jan 2019 — Jul 2022

Ruhango ,Rwanda

Ecole Des Sciences Byimana

Ordinary Level

During my time at Ecole Des Sciences Byimana, I completed my ordinary level education with a focus on sciences. The school offered a well-rounded curriculum that included subjects such as mathematics, physics, chemistry, and biology. I gained a solid foundation in scientific principles and problem-solving skills during this period.

Jan 2013 — Nov 2018
Kigali-kicukiro

Ecole Le Petit Prince
Primary Level

At Ecole Le Petit Prince, I completed my primary education. This school provided a nurturing environment for learning and personal growth. Throughout my time there, I gained a solid understanding of various subjects, including languages, mathematics, social sciences, and natural sciences. It was a foundational period in my educational journey.
